

Cider & Ale Festival 2018

The Crabble Corn Mill Cider & Ale Festivals are now known as one of the best festivals in Kent. The Crabble Corn Mill Trust decided nine years ago as Cider was becoming more and more popular with drinkers that we should hold a cider festival in the same way as we do our beer festivals. Over the years the Cider Festivals have grown and grown from our very first festival which only featured fifteen different ciders of which were mainly produced in Kent. This years festival will feature 60 different ciders and 30 real ales from all over the country.
