

# White Cliffs Festival of Winter Ales

## Beer List – 2009

Welcome to the 16th White Cliffs Winter Ales Festival, featuring around 75 winter and strong ales, of between 5% and 10% ABV, from small independent and micro-breweries from across the country.

Our branch sponsors the Royal National Lifeboat Institution through donations of beer tokens or money. So, if you have any spare tokens why not donate them to this worthwhile charity?. A collection box can be found on the glasses stall.

Remember that the people who are running the festival are volunteers, so be nice to them!

**Important:** This is a beer festival, so everyone will be carrying glasses. Be careful as you move around the event and report breakages and spillages to a member of the Town Hall or beer festival staff. Children should be kept under control at all times and are not allowed at the bar.

Enjoy your beer, drink responsibly and please do not drink and drive.
