Campaign for Real Ale

Welcome to our Drink & Food Guide

Updated: 21st June 2020

Our local drink businesses need support and help to get them through these unprecedented times, so we're providing a guide to local pubs, clubs, breweries, cider makers, vineyards, restaurants and off-licenses offering drink and food delivery & takeaway services.

We realise that the situation we find ourselves is ever-changing and we will do everything we can to keep this guide up-to-date.

FaceBook Access.

The majority of the businesses listed in this guide use FaceBook to advertise the services they are offering. Thankfully most of these FaceBook pages are accessible without having to have a FaceBook account. Below, we've highlighted those FaceBook pages that do need a FaceBook account to access by "(Acct)".

Please let us know of any additions, omissions and inaccuracies by emailing:
